Old Business:

- On Saturday (1/10/10) we talked about putting out cards with a discount on 20% for classes which would be the member price for new people coming to classes that pick the cards up at various businesses. I think everyone was in agreement that Kris would prepare these and take them to various businesses and put a one year expiration date on them.

- The board agreed (1/10/10) to a suggestion to have members' foster dogs come to one class for free (assuming it doesn't take the place of a paying person). This would be one class per dog and will be monitored to avoid misuse.

- Judi Cormaci agreed to continue to monitor the Go Dogs voicemail.

- Bylaws Update

- Hiring snow removal service to clear the parking lot.

- Yahoo Members Group
New Business:

- CERF Seminar

- Helen King Seminar
